

RESOLUTION 10-108

SUPPORTING SUBMITTAL OF I-JOBS GRANT APPLICATION FOR DRAINAGE IMPROVEMENTS IN THE COVE AND HAZEL MARIE TOWNHOMES AREA PLATS AND AUTHORIZING BORROWING OF \$150,000 AS THE CITY'S SHARE OF FUNDING FOR THIS PROJECT

WHEREAS, the COVE and Hazel Marie Townhomes plat areas have significant deficiencies in overland flowage and stormwater detention facilities, AND,

WHEREAS, these deficiencies are correctable only through regrading these drainage facilities and specific revegetation actions, AND,

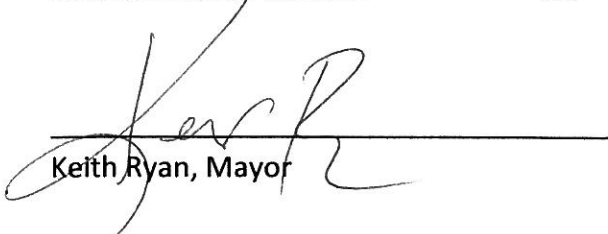

WHEREAS, failure to complete these actions will result in deteriorating drainage conditions for residences in the COVE and Hazel Marie Townhomes area properties, AND,

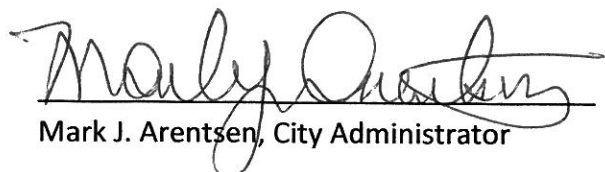

WHEREAS, residents in these areas are already negatively impacted by unwanted and unsightly woody scrub vegetation, stagnant water and lawn areas which cannot be maintained because of storm water backing up on their property,

NOW THEREFORE BE IT RESOLVED by the City of Bondurant City Council in session this 2nd day of August, 2010 that it hereby endorses the City of Bondurant application to the State of Iowa I-Jobs Infrastructure Investment Initiative for \$300,000 in I-Jobs funding to address drainage issues in the COVE and Hazel Marie Townhomes area plats.
